

ALLIANCE HIGH SCHOOL ENDOWMENT FUND

To Alliance High School Alumni and friends of Alliance High School:

I would like to tell you about "The Alliance High School Endowment Fund," a California not-for-profit setup to encourage academic and overall student excellence at Alliance High School. I will be participating as an individual with an annual commitment of \$500 pledged for this fund and as an officer of the Not for Profit Organization managing the fund. I would like to ask you for your sponsorship support.

The Endowment Fund creates a general scholarship fund, which will be distributed according to a merit based scholarship formula. It will also allow potential high contribution donors to determine how they would like their specific contribution to be awarded under a directed giving policy. Contributions can be sent via cheques to the address below or via credit card payments on our PayPal link on the website. <http://www.ahsef.org>

For Alumni and donors based in the United States, we are happy to report that AHSEF's 501(c) (3) tax-exempt status has been granted. (**See attachment**) Donors in the US can now give tax deductible gifts to AHSEF. Donors in the US whose companies participate in matching funds, please use the attached letter when working with your respective payroll departments.

Contributions can be made directly to our account at:

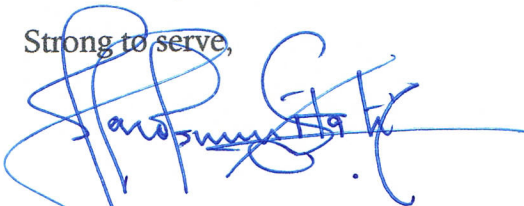

Vanguard,
455 Devon Park Drive,
Wayne, PA 19087-1815

Gifts should be made payable to: AHSEF, Fund # 724, Account # 88080604891
